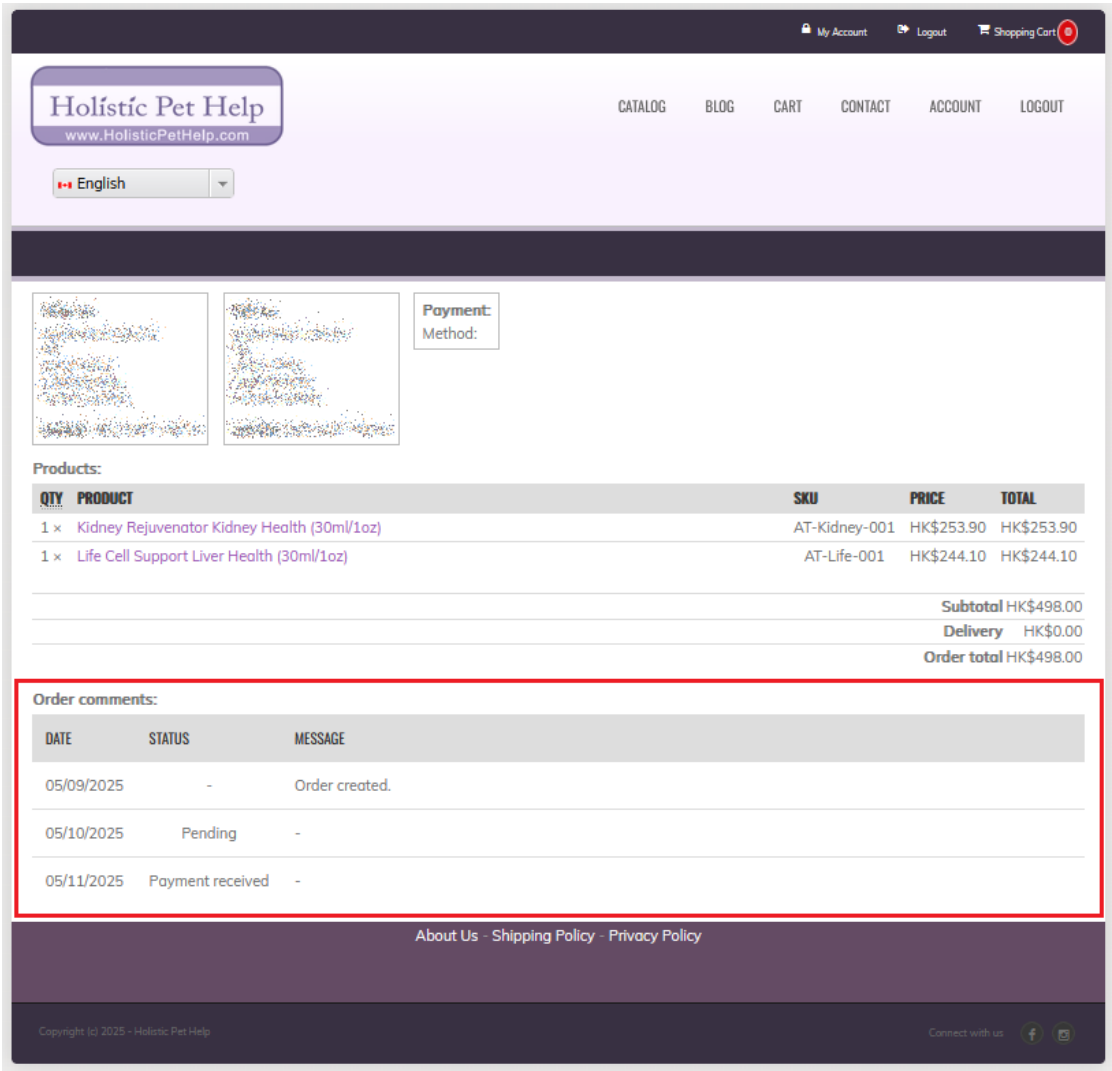
This page left intentionally blank

Description

Version **3.14** of the **Ubercart Orders** (uc_order) module presented multiple problems with respect to the **Order comments** area of the **Order Details** page at:

`/user/{user_id}/orders/{order_id}`

The page looks like this:



Issues

A. The **Time** of the order comment is not noted
B. "Order created." should appear in the **STATUS** column as "Started"
C. There is no need for "Order created." in the MESSAGE column
D. There is no need for "-" to appear in the MESSAGE column
E. The **STATUS** column should be left justified, not centered
F. The different **STATUS** types do not translate

Resolution

Version **3.15** of the **Ubercart Orders** (uc_order) module presents an updated **Order comments** area with all of the featured problems resolved. It now looks like this:

English

Order comments:

DATE	TIME	STATUS	MESSAGE
05/10/2025	21:40:11	Started	
05/11/2025	21:40:11	Shipped	
05/11/2025	21:40:11	Completed	

Chinese

訂單備註:

日期	時間	狀態	訊息
05/10/2025	21:40:11	已開始	
05/11/2025	21:40:11	已發貨	
05/11/2025	21:40:11	已完成	

Translations

For the interface to work in a multi-lingual context, translations need to be entered into the system at:

Home » Administration » Configuration » Regional and language » Translate interface

Or:

admin/config/regional/translate/translate

Chinese

Here are the Chinese translations for the different status types.

English	Chinese
Started	已開始
Abandoned	已放棄
